

2021 / 2022 SPONSORSHIP

BE A PART OF JUNEAU-DOUGLAS SKI TRADITION

Dear Local Business Representative,

Juneau Ski Club (JSC) is a youth alpine ski racing program with a long-standing tradition in our community. In fact, it was first incorporated in 1935 and was the founding precursor to our local ski area that we know as Eaglecrest today.

JSC has helped young athletes excel at the art of skiing and many of our athletes have gone on to be excellent skiers, win scholarships for college, been in various ranks of the U.S. Ski Team, competed on the world stage at free skiing events, and even won a medal at the Olympics!

None of this would have been possible through the years without the support of our small but unique and generous community and local business's support. When you pledge your support to the Juneau Ski Club and its athletes, you are telling the community that you believe in our kids and want to help them excel. In return we have excellent ways of acknowledging and promoting your business both on and off the mountain.

All donations are 100% tax deductible as we are a 501c3 non-profit. Depending on your level of support, your company will be enjoying prominent visibility and recognition throughout the year. Please take a moment to consider the levels of sponsorship and support for our youth athletes.

The Juneau Ski Club is very flexible and would love to discuss any and all options, ideas, trade, comments and/or questions you may have with your regard to supporting JSC.

Sincerely,
